

THE BEECHWOOD SCHOOL

Happy Holidays!

December Newsletter 2023

The busy month of December is here. This month we will be color mixing blue and yellow paint to make green and continue spelling our names and going over shapes and numbers. The students will be busy making Hanukkah and Christmas crafts, parent gifts and singing holiday songs this month. We will make bird seed ornaments for our singing around the tree school celebration. Our school wide **Pajama Party** is on Thursday, December 21st, this will also be our Holiday Party. Look for a signup sheet for party goodies in the front hallway. Our Winter Walk will be on December 22nd.

Please remember to label all hats, coats and mittens with your child's name. If you haven't already, please send in a new change of clothes that are appropriate for the winter weather. Show and tell/share will begin in January, more information and schedule to follow.
