

Mrs. Rutkowski & Ms. Janine Pre- K
February News

January plodded along and we talked about polar animals, hibernation, migration and all things Winter. Can you believe the school year is more than half over !?! We are growing and learning.

February will be busy with Valentine's Day, and Dental health, as well as President's day and the lunar New Year. . We will incorporate the letters and numbers with all these themes, including simple money facts. During the week of 2/27 we will learn where we live (our addresses).See slip below to return to us.

We would like to send a "love letter" old school with the children. We need you to send in a PRE addressed envelope and stamp to whoever they would like (ie, a grandparent or cousin or distant friend) only one please. We will do this February 7-9 So please return as promptly as possible.

*****The Valentine's celebration will be during class time on Wednesday , Feb 14... We ask **that you let your child sign his or her name on cards (13) and not to put names on the envelopes;** it will help us with distributing them.

You might want to start soon and let your child do a few each evening, if they want to...For our celebration we will have an ice cream sundae party with all the fixings. **No signup** 

Lunchtime has been going well, thank you for easy or already opened items. We do ask that if utensils are needed for any part of lunch you try and include in the lunch bag as well.

Miss Janine and I would like to request limiting bring toys other than nap time stuffies to school at this time.

Our second conference will be week of February 26. a sign up will be up 2 weeks prior, posted to Google doc. If you have questions before then please contact me.

Please continue to dress children warmly as we will go out as often as we can, Extreme weather or poor playground conditions are the only exclusions.

Beechwood is closed Monday ,February 19.

To be sure we have it right we will be talking about addresses and phone numbers (one that child could start to learn) toward end of month fill out the slip

--Child name _____ our address is _____ This is the correct phone to be reached in emergency .._____--.
