

Beechwood School September Newsletter

Welcome to our class! During the first few weeks we are going to be getting familiar with the class routine, class rules, and learning our friends names.

Please be sure to locate the parent bulletin board in the hall. This will keep you informed on what we did throughout the day.

If you haven't sent in a change of clothes please do so ASAP.

The projects your children create during class will be displayed in the classroom you are more than welcome to look around the room. We will send them home in the cubbies when we are done with them.

During the month of September we will be discussing family, homes, friends, and fall. Please send in a family picture ASAP for a project that we are going to make.

When you drop off and pick up your child please make sure that you sign them in and out.

We will be starting show and share the week of September 29th. Each child will have an assigned day to bring one item in to share with the class. The assigned day will carry throughout the entire year. There will be more information sent home concerning this topic.
