

October Newsletter Beechwood School

September is over and we had a great first month. We are getting familiar with our classmates and are starting to become familiar with our daily routine. The tears have almost disappeared.

Please send your child to school in clothes that are easy to pull up and down so they can be independent in the bathroom. In class we are encouraging your children to blow and wipe their own noses. Please work with your child at home so we can help to stop the spread of germs.

This month we will be talking about seasons and why the leaves are starting to change colors. We will also be discussing the importance of Columbus Day. October is also fire prevention week so we will be talking about fire safety and what you should do in case of a fire. We will be making many Halloween decorations so they we can decorate the classroom for our Halloween party.

Halloween is a fun time of year. We will be having our Halloween party on Monday October 31st. All children are welcome to attend the party even if they aren't scheduled to attend school that day. Please drop children off by 9:00 so they can get ready for the parade. Please be sure they come to school with their costume on and have clothes on underneath. If it isn't your child's day to stay please pick them up by 11:00. We will post a sign up sheet outside the classroom for you to volunteer to help, by sending in goodies for the party. The Halloween parade starts at 9:15 and we will parade around the parking lot and then we will end up in the courtyard behind our classroom for parents who would like to take pictures. If you stay for pictures we would ask that after the pictures you would take your child's costume off and take it home with you so it doesn't get lost. If you don't attend the parade your child's costume will be hanging on their hook.

Please make sure your child has appropriate extra clothing at school due to change of season.

Thank you!!
Ms. Kelly and Ms. Colleen
