November 2011

October was an exciting month! Thanks to all who helped out and/or contributed to our Halloween Party! The children really enjoyed themselves.

This month we'll be discussing Thanksgiving themes and traditions. Please send in a family picture to be used in one of our projects.

November is a busy month. Conferences are coming up and the children have been assessed in preparation for them. Please schedule your conference if you haven't already.

We will be having a Thanksgiving Feast in our classroom on November 23. Look for the sign up sheet later in the month! If you know ahead of time that you're interested in donating/cooking a turkey breast, please let us know!

We'd like to send a special thank you to Emilio's mom, Mrs. Moreyra, for coming in and teaching us about the Day of the Dead and the Mexican traditions that go along with it. We decorated colorful skulls and learned that it is a happy holiday. We also made honey bread with Mrs. Rutkowski's class, our take on the traditional Mexican treat. If you have a special interest or holiday you'd like to share with our class, we'd love to have you. Please let us know and we'll work out a day and time.

We've started to turn 5!! Since many of our birthdays are very close to each other, please let us know when you'd like to bring in birthday treats for your child. We like to make the day as special as possible for the birthday child and would like to avoid overlapping if possible. Some of our students have already enjoyed extending their birthday celebrations to accommodate our schedule!

Your children continue to be a pleasure to have in class. Enjoy the beginning to the holiday season!
