## January 2012

### Mrs. Mitchell & Mrs. Schmincke

Happy New Year! We hope you all enjoyed your break. We're glad to be back in the swing of things. Thanks to all who contributed to our holiday party. The children really enjoyed the brunch and we enjoyed them not having too much sugar early in the morning!

We'll pick up our alphabet study with the letter "Kk" during the second week in January. If anyone has any special activities in mind or snack that have to do with our letter of the week please let us know! We love having classroom visitors.

We will begin to practice our addresses and telephone numbers this month. Students will be asked to recite their address and also identify it when written. Please start practicing at home if you haven't already.

As some of you have seen, we're now asking students to write their first and last names on the chalkboard when they arrive in the morning. They seem to enjoy this change of pace and it's great practice! They are using their name cards for spelling help as needed.

We have lots of birthdays coming up so please let us know when you'd like to share your child's birthday treat with the class.

Remember...no school on Monday, January 16th for  
MLK Day

As always, thanks for your cooperation and participation!
