

welcome OCTOBER

We made it though September!! The children have all adjusted well to school. We will be starting the letter book next week. When we have completed a book they will be taking them home. October will start off with learning about Community Helpers and fire safety. Fire Prevention Week starts October 8th. During the week we will be learning all about how to prevent and about the men and women who help fight fires. We hope to impress the Haddonfield Fire department when the visit Thursday the 11th.

During the week of the 15th we will be exploring the harvest and preparing for our farmers market on the 19th. We invite the entire school to shop at our markets. The week of the 22nd we are learning about UNICEF and how they help children who are less fortunate than we are. Each child will receive a UNICEF collection box that they can take trick or treating with them. After Halloween we will be counting the money that has been collected and send it to UNICEF.

During that week and the next we will also be getting ready for Halloween. During those weeks we will be learning about "spooky" animals such as bats, spiders and wolves.

The Halloween party will be on the 31st, details on the parade will come later. I will put a sign up sheet outside the classroom on the 15th.

The Thursday and Friday after Halloween we will be celebrating Dia De Los Muertos. It starts on Halloween and ends on November 2. It's a time to celebrate our ancestors. We will be learning about this Mexican tradition and the culture around it. We will also learn about skeletons and how they work and how they fit together. I ask that the students bring in pictures of their loved ones so we can celebrate.
